

## Our February Month of Modern

Labyrinth's Month of Modern is a massive month-long celebration of one of our favorite Magic formats. In honor of the return of the Modern Pro Tour, we will be playing Modern every Tuesday in February as part of one continuous tournament series. The first three weeks - February 6, 13, and 20 - are Open Tournaments. All players are welcome. The final week, February 27, is our Invitational Finale. Place well in one of the Open Tournaments to secure your invite and your chance to win the title of Labyrinth' Modern Master. There will be prizes galore throughout the month, including posters, playmats, and our largest ever payout. Bring a new modern player with you to one of the open tournaments, and you'll get extra chances for invites and prizes.

Prizes are Subject to Change.

### *1. Structure*

*a. Labyrinth's Month of Modern will take place each Tuesday night in February (2/6, 2/13, 2/20, 2/27).*

*ii. The top four finishers will earn invites to the Invitational Tournament. Invites are non-transferable and an individual player can only earn one invite. If an individual player would earn a second invite by placing in the top four of two Open Tournaments, the second invite will be given to the next highest finisher in that event.*

*c. INVITATIONAL: 2/27 will be an Invitational Tournament. Only those players who earned invitations during an Open Tournament will be able to register. Seats will be limited to 16 players. Entry fee is \$11 (\$10 cash).*

### *3. Unfilled Seats*

*a. Labyrinth reserves the right to award additional invitations to the Invitational Tournament in order to reach the player cap of 16. This may be necessary if players who have previously earned invitations are unable to attend the Invitational Tournament. As best as we are able, we will award earned invitations to the next highest finishers of the Open Tournament at which the invitation was won. Wild Card Invitations will be awarded by random drawing.*
